Sir:

**SUBMISSION OF CORRECTED PCT/IB/301**

In order to ensure that the information concerning the U.S. national phase application based on the above identified PCT application is correct in the U.S. Patent & Trademark Office, a copy of a Communication and a Corrected PCT/IB/301 are enclosed. The correction pertains to an incorrect PCT filing date as appearing on the published WO application; i.e., the correct filing date is 24 March 2004, not 25 March 2004.

The original Transmittal Letter did identify the PCT application filing date as 24 March 2004.

Respectfully submitted,

**NIXON & VANDERHYE P.C.**
